The screenshot shows a web browser window with the URL `github.com/Sakthi-Builds-AI`. The page displays a new GitHub profile for the user 'Sakthi-Builds-AI'. The profile includes a circular avatar with a purple and white geometric pattern, the username 'Sakthi-Builds-AI', and a button to 'Edit profile'. Below the profile information, it states 'Joined 1 minute ago'. The main content area shows 'Popular repositories' with a message: 'You don't have any public repositories yet.' Below this, it indicates '1 contribution in the last year' and shows a 'Contribution graph' for the year 2026. The graph shows a single green square on Monday, June 1st, 2026. A text box explains the contribution graph and provides a link to 'Read the Hello World guide'. At the bottom, the 'Contribution activity' section shows a timeline for June 2026 with a single event: 'Joined GitHub'.

Less More

This is your **contribution graph**. Your first square is for joining GitHub and you'll earn more as you make [additional contributions](#). More contributions means a higher contrast square color for that day. Over time, your chart might start looking [something like this](#).

We have a quick guide that will show you how to create your first repository and earn more green squares!
